**D. Transport Fees**

**\$0.31 per 1,000 gallons** - assessed annually to all permittees who are transporting water out of the District. Transport fees are based on the volume authorized to be transported outside the District boundaries, in addition to the production fee associated with the production of that water (a non-refundable fee assessment).

\$0.44 per 1,000 gallons for new Conditional Permits and Conditional Permits authorized by material amendment.

An excess of **more than 500,000 gallons:**

- 25% - 100% of permitted pumpage - \$1.00 per 1,000 gallons plus the applicable production fee\*
- Over 100% of permitted pumpage - \$2.00 per 1,000 gallons plus the applicable production fee\*

\* Applicable production fee means the higher rate associated with any authorized pumpage.

**G. Regulatory/Drought Management Fees**

During periods of District-declared drought starting after two full months of a drought period, a drought management fee will be imposed on permittees permitted for more than 2,000,000 gallons annually (excludes all uses under general permits). This regulatory fee will be paid annually in arrears as a condition of permit renewals at the beginning of each fiscal year. The fee will be assessed per full month of declared drought, with a credit of that same fee amount per month applied for each month that the permittee does not exceed its monthly mandated restriction in the prevailing UDCP. Fees will be assessed in accordance with the following schedule:

For production zone casing with outside diameters nominally 5.0 inches or less: \*  
**\$100.00/month**

For production zone casing with outside nominally between 5.0 inches and 10.0 inches: \*  
**\$250.00/month**

**II. OTHER FEES**

**Meter Verification / Inspection Fee - \$50.00 to \$75.00**

Assessed only when a permitted user fails inspection after being advised that meters must be installed or calibrated, or when a permittee fails to submit the required meter readings and District personnel must visit the well site or take the meter readings. May be assessed as many times as permitted user fails to comply with Board Orders or District Rules to come into compliance. The fee will increase to \$75.00 on the third instance to occur within a 12-month period in which a \$50 fee was previously assessed two instances prior (a non-refundable fee assessment).

**Special Fees**

A Special Fee is required for certain tasks involving extraordinary staff time to perform extensive technical/ review, fieldwork, and/or inspections. This fee may be assessed for a variety of tasks and may be assessed as a one-time fee, on a periodic recurring basis, or cumulatively for multiple tasks depending on the tasks warranting the fee. Such tasks include but are not limited to the following:

Tasks Warranting a Special Fee	Assessment of Fee
Staff technical review of Permit applications involving alternative well designs, well development procedures, or well plugging/capping procedures including alternative Test Well designs in which a formal aquifer test will be conducted to support a future Production Permit request.	\$500 fee shall be assessed one time, and will be due 30 days upon the determination of administrative completeness of the application
Review of Permit applications requiring extensive external technical consulting services (e.g. contract review, well construction, engineering plans and specifications, hydrogeological modeling).	\$5,000 fee shall be due within 30 days upon the determination that external technical consulting services are needed. <b>(Fee may be assessed in addition to other applicable Special Fees.)</b>
Review of Permits with special provisions requiring ongoing, annual or periodic internal technical review or compliance evaluations.	A fee up to \$1,000 shall be recurring, assessed annually upon permit renewal based upon the nature and duration of the special permit provisions that are in effect.

**Potential for Unreasonable Impact Fee**

The District will assess a supplemental fee to address staff time needed to review a permit application found to have a potential for unreasonable impact(s). Per District Rules, this finding initiates additional application requirements, internal technical review, development of permit compliance measures, and/or development of special provisions. The fee will be based upon a staff time rate of \$60.00 per hour for the amount of time needed for the additional review determined by the General Manager’s preliminary finding. This fee will be due at two times: half within 30 days upon the completion of the General Manager’s preliminary finding, and half within 30 days upon administrative completeness.

**Returned Check Fee - \$35.00**

The District will assess the person writing the returned check a \$35.00 fee for each check returned by the District depository due to insufficient funds, account closed, signature missing, or any other problem causing such a return. This fee will be charged each time a check is returned. If bank charges to the District’s account exceed \$35.00, the District shall assess the higher of the two amounts (a non-refundable fee assessment).

**Accounting Fee - \$50.00 per hour**

Anyone requesting that the District conduct any accounting, other than the routine accounting normally done by the District, shall be assessed an accounting fee of \$50.00 per hour of District staff time spent on the accounting. Accounting fees will not be assessed if District generated errors are found in the Permittee’s account.

**Variance Request Fees - \$100.00**

An applicant may, by meeting eligibility requirements of Section 3-1.25 or Section 3-7.10 and by written petition to the Board, request a variance from the requirements of District Rule 3-1 or District Rule 5, except Sections 3-1.20, 3-1.22, 3-1.23, and 3-1.24, or District Rule 3-7, respectively.

**Legal Notice Fees**

An applicant will pay for publishing any legal notices in accordance with the District rules.

**III. FEE REFUNDS**

The General Manager or a specifically designated representative may approve a refund of any fee for which no District service has been provided at the time of the request for refund is submitted. Requests for refunds must be submitted in writing to the District office and can be mailed, faxed, hand-delivered, or sent by e-mail. Fee payers who feel they have been unfairly denied a refund may request that the matter be reviewed by the Board.
