	Property Owner:	_	_		-		
	Mailing Address:		ty:	Zip:	County:		
	Physical Address:		itv:	Zip:	County:		

Section IV. Well Construction Schematic

You will need to work with a licensed well drilling contractor in order to submit a proposed well design schematic. The driller can work closely with the District and should provide a well design schematic with specifications to include: the total depth, borehole diameter, casing diameter and depth, annular seal interval(s), annular sealing method, calculated grout volumes, grout material, surface completion specifications, pump setting, pump size and horse power, and any other pertinent well construction information.

Section V. Declarations			
Initial to indicate that the applicant ha			
		in reference will be put to beneficial use at all times	
The applicant agrees that water produ	uced/withdrawn from the well	in reference would not cause waste and the applica	nt
agrees to avoid waste and achieve wa	iter conservation.		
The applicant understands that failure	e to submit all required applica	tion items within the application review period will	result
in an administratively incomplete app	lication and non-issuance of a	permit.	
The applicant will comply with the Dis	trict Rules and Bylaws and all c	orders pursuant to the District Rules.	
The applicant will comply with well p	lugging and capping guidelines	s set forth in these Rules and will report well closu	res as
required in Rule 3-5.			
Many of the incorporated cities withi	n Travis and Hays Counties hav	ve ordinances concerning the drilling of wells within	their
city limits. It is your responsibility to c	omply with your city ordinance	es regarding the drilling of wells. The permits issued	by
the Barton Springs/Edwards Aquifer (Conservation District do not co	nfer any right to violate any city ordinances regardir	ng
drilling wells within city limits.			
This permit exemption is applicable to	o a wells exempt from permitti	ing as described in District Rules 3-1.3. For a domes	tic or
		ss than 10,000 gpd. If the use type or capacity of th	
changes, this exemption is no longer			
-			
Section VI. Applicant or Authorized Ag	ent Sworn Statement		
I hereby make application to the Barton Spr	ings/Edwards Aquifer Conservat	tion District for the purpose indicated above for the w	ater
well described herein, and I certify that I am	the property owner/grantor or	lessee/grantee or an Authorized Agent, and that each	n and
all the statements herein are true and corre	ect, and that I will comply with D	Pistrict Rules, Well Construction Standards, and	
groundwater use permit and plan requirem	ents. I hereby authorize the Dist	trict access to this property following reasonable adva-	nce
notice or, in an emergency, immediately, w	ith such emergency access repo	rted to the owner if advance notice was not possible.	The
District may access the well for the purpose	s of inspecting, collecting water	quality samples, and investigating conditions relating	to
the withdrawal, waste, water quality, pollut	ion or contamination of ground	water.
