Audit Services**

RFQ No. 06252024-003

The Barton Springs/Edwards Aquifer Conservation District (District) requests statements of interest and qualifications (SOQs) from qualified firms to provide an annual audit of the District’s financial statements including all major fund sources. The audit shall be performed according to the generally accepted government auditing standards adopted by the American Institute of Certified Public Accountants. The selected firm shall adhere to the Generally Accepted Accounting Principles as adopted by the American Institute of Certified Public Accountants.

BACKGROUND

The District is a Groundwater Conservation District with a mandate to conserve, preserve, protect, and enhance all groundwater resources within the District. The District was formed in 1987 and its jurisdictional territory was enlarged in 2015 to its present-day extent. The District has the authority to undertake various studies and implement structural facilities and nonstructural programs to achieve its statutory mandate. The District has rule-making authority to implement its policies and procedures consistent with the statutory mandates, established mission, and the Texas Water Development Board-approved management plan. The District carries out its mission and goals through aquifer studies, establishing rules and policies, education programs, District provided services, and through the cooperation of local, state, and federal agencies. The District issues a variety of water-well permits, collaborates on aquifer tests and evaluations, and maintains a regulatory framework based on science and collected data analysis within the framework of Texas Water Code, Chapter 36 and Chapter 8802 Texas Special District Local Laws Code.

EVALUATION CRITERIA

Those responding to this RFQ are advised that all documents shared will be evaluated to determine each firm's ability to best meet the needs of the District. The District's evaluation will include, but is not limited to, a consideration of the following criteria:

- a. Qualifications – Experience of the firm to provide the District with an annual audit including appropriate staffing as needed: Certified Public Accountants with the support staff necessary to execute an audit, and a demonstrated history of competence in handling audits and related matters of local units of government.
- b. Responsiveness – the Statement of Interest and Qualification should indicate the firm's ability to initiate an audit in September/October 2024 and complete the audit in time to provide a statement of findings to the District's Board of Directors on December 12, 2024.
- c. Fees – The firm's proposed fee schedules for different classifications of accountants, support staff, and any research tools employed.
- d. References – information obtained by the District from the firm's references provided.

SCOPE OF AUDIT SERVICES

The chosen firm will serve as the District's CPA for executing an annual audit with the potential for subsequent annual engagements. Said firm is responsible for informing the District's Board of Directors with:

- a. An opinion about the District's financial statements, respective changes in financial position, and cash flows for the fiscal year;
- b. Information about District accounting policies consistent with a groundwater conservation district as outlined in section 36.153 of the Texas Water Code;
- c. Information about accounting estimates, including, but not limited to useful lives of fixed assets and related estimates of depreciation expenses;
- d. Information related to any difficulties encountered in performing the audit;
- e. Information about misstatements, uncorrected or otherwise; and
- f. Information concerning disagreements with management or management representations.

STATEMENT OF INTEREST AND QUALIFICATIONS

All information contained in the Statement of Interest and Qualifications may be subject to the Texas Public Information Act and/or the Texas Open Meetings Act, and the use and disclosure of the information provided are governed by these Acts. Any information deemed confidential or proprietary should not be submitted.

1. Statement of Interest, to include:
