**RE: Staff Administrative Completeness Review of a Temporary/ Regular Production Permit Application submitted by Needmore Water LLC to obtain a Regular Historical Production Permit to produce from an existing Middle Trinity Well for Agricultural Use.**

Dear Mr. Kaveh Khorzad:

The above referenced application and the subsequent additional information have been received, reviewed and n determined to sufficiently address the information requirements in accordance with District Rule 3-1.4(A). **Therefore, the application is determined to be administratively complete as of November 15, 2016.**

Please note that the next step in your application process is to publish public notice no later than **December 1, 2016**. To facilitate you in publishing a notice, I have enclosed instructions that describe the District's notice requirements. Once you have received this letter of an administratively complete determination, **appropriate notice must be provided within ten (10) business days** pursuant to District Rule 3-1.4(B)(2), which states:

*"...Applicants shall publish notice not later than ten (10) business days after receiving an administratively complete determination from the General Manager or the General Manager's designated representative."*

After submitting the notice for publication, please contact our office to provide the publication date, proof of publication, and to ensure that all notice requirements are met. The publication of the notice initiates a **20-day public comment period that begins the day after the date of publication**. Please note you must comply with District Rule 4-9.13 to request a hearing on the application. If you have any further questions, please feel free to contact me by phone at (512)282-8441 or by e-mail at [vescobar@bseacd.org](mailto:vescobar@bseacd.org).

Sincerely,

John Dupnik, P.G  
General Manager
